VOLUME 19 • INDEX • WINTER, 2003 - FALL, 2003

Authors

Arnhold, RW (with Auxter, DA): **Legislative Update** (A physical education perspective—Reauthorization of IDEA), Winter, p 9.
Legislative Update (Issues on physical activity and disability and the new 108th Congress), Spring, p 6.
Legislative Update (IDEA reauthorization: A historical perspective), Summer, p 6.
Legislative Update (The role of Section 504 in the educational process.), Fall, p 8.

Aufsesser, P: Liability considerations for placement of students with disabilities in general physical education classes, Winter, p 40.
Research Application (Evaluation of physical condition and body composition of an elite wheelchair basketball team in Istanbul), Winter, p 6.
Research Application (Employment trend and shortage of recreation and therapeutic recreation specialists in public schools), Spring, p 5.
Research Application (Effect of progressive time delay on gross motor skill completion duration of participant with mental retardation), Summer, p 8.
Research Application (Athletic Identity and Perceived Competence in Children with Visual Impairments), Fall, p 6.

Beaver, DP: Editor's Corner (Certification of coaches—Is it time?), Spring, p 4.

Carithers, D: Calendar, Winter, p 17; Spring, p 15; Summer, p 15; Fall, p 16.

Clark, N: Sport Nutrition (Protein power—The truth about supplements), Winter, p 48.
Sport Nutrition (Surfing the web for nutritional information), Spring, p 39.
Sport Nutrition (Carbohydrate bashing: A passionate pastime), Summer, p 47.
Sport Nutrition (Roughing-up your sports diet), Fall, p 46.

Collier, D (with Reid, G): The autism spectrum disorders: Preventing and coping with difficult behaviors—Part IV, Summer, p 36.

Cowart, J (with Lieberman, L): Adapted physical education can be hazardous to your health!, Summer, p 20.

Davis, TD: Editor's Corner (Why become a CAPE?), Winter, p 4.

Dummer, GM: Reasonable accommodations for swimmers with disabilities—A perspective, Winter, p 44.

Erickson, B (with Buswell, D and Passo, M): Adaptive equipment for wilderness expeditions, Fall, p 25.

Evans, E: Bits & Pieces, Winter, p 50; Spring, p 50; Summer, p 50; Fall, p 43.

Grosse, S: Letters to the Editor, Spring, p 14.

Harvey, WJ (with Fagan, T, and Kassis, J): Enabling students with ADHD to use self-control in physical activities), Summer, p 32.

Hitzhusen, GI (with Smith, R, and Stewart, M): Tribute to Dr. Gerald O'Morrow, Summer, p 46.

Hubner, C: U.S. Paralympic Forum, Winter, p 11; Spring, p 9; Summer, p 9; Fall, p 10.

Kimmons, J (with Watts, D)**:** Can't walk? So … Go dancing!—Part 1, Winter, p 34.
Wheelchair dancing: Part 2—From the walker's perspective, Spring, p 27.
Wheelchair dancing: Part 4—Putting it all together, Fall, p 38.

Kreuter, P: Editor's Corner (The future of sports for athletes with disabilities—Time for a change), Fall, p 4.

Kunz, JG: Letters to the Editor, Summer, p 5.

Lavay, B: A university based physical activity program for children with special needs: A unique blend of teacher training, instruction, and community service, Spring, p 42.

Lockwood, R (with Lockwood, A, Lewis, G, and Drenen, L): Work & study support for athletes with disabilities: A successful model in Western Australia, Spring, p 33.

Lykins, P: Letters to the Editor, Summer, p 5.

Petrofsky, J (with Meyer, J): Causes and suggested preventatives for injuries to monoskiers, Winter, p 28.

Reid, G (with O'Connor, J): The autism spectrum disorders: Activity selection, assessment, and program organization—Part II, Winter, p 21.
(also with Lloyd, M): The autism spectrum disorders: Physical activity instruction—Part III, Spring, p 20.
(also with Collier, D): The autism spectrum disorders: Preventing and coping with difficult behaviors—Part IV, Summer, p 36.

Roswal, GM (with Damentko, MB, Smith, GW, Braycich, MJ, and Krogulec,): Sport for individuals with mental disabilities in Asia, Eurasia, and Europe, Fall, p. 20.

Schack, F: National Scene, Winter, p 12; Spring, p 10; Summer, p 10; Fall, p 11.

Seaman, JA: Editor's Corner (Adapted physical education and special education: There is a strong resemblance, but we are not related), Summer, p 4.

Shapiro, D: APAC Action, Winter, p 10, Spring, p 8; Summer, p 14; Fall, p 5.
Research Application (Athletic identity and perceived competence in children with visual impairments), Fall, p 6.

Sherrill, C: Models to guide professional preparation in adapted physical activity: Beliefs affecting service delivery, Spring, p 39.
Issues (Should social inclusion be a major goal in physical education?), Spring, p 56.
Issues (Normalization or valorization: Which should be our aim?), Summer, p 56.
Issues (Ethnocentricity or international involvement?), Fall, p 53.

Stein, JU: Publication Reviews, Winter, p 52; Spring, p 52; Summer, p 52; Fall, p 48.
Issues (Should developing self-esteem be an objective for physical education programs involving students with disabilities?), Winter, p 55.

Underwood, J: Lakeshore foundation—U.S. Olympic and Paralympic training site, Fall, p 32.

Watts, D (with Kimmons, J): Wheelchair dancing: Part 3—From the wheeler's viewpoint, Summer, p 26.

Wening, J: Focus on Training, Winter, p 47; Summer, p 48; Fall, p 15.

Subjects

Adapted Physical Activity/Education
Models to guide professional preparation in adapted physical activity: Beliefs affecting service delivery, Spring, p 39.
Editor's Corner (Adapted physical education and special education: There is a strong resemblance, but we are not the same!), Summer, p 4.
Adapted physical education can be hazardous to your health!, Summer, p 20.

ADHD
Enabling students with ADHD to use self-control in physical activities, Summer, p 32.

Amputees
National Scene (DS/USA), Winter, p 12; Spring, p 10; Summer, p 10; Fall, p 11.

APAC Action
Winter, p 10; Spring, p 8; Summer, p 14; Fall, p 5.

APENS
Editor's Corner (Why become a CAPE?), Winter, p 4.

Athletes
Editor's Corner (The future of sports for athletes with disabilities—Time for a change.), Fall, p 4.
Focus on Training (Matt Aldridge/power lifting), Winter, p 47.
Focus on Training (Ronda Jarvis-Ray/water skiing), Summer, p 48.
Focus on Training (Scott More—Judo), Fall, p 15.
Research Application (Athletic identity and perceived competence in children with visual impairments), Fall, p 6.
Work & study support for athletes with disabilities: A successful model in Western Australia, Spring, p 33.

Australia
Work & study support for athletes with disabilities: A successful model in Western Australia, Spring, p 33.

Autism
The autism spectrum disorders: Activity selection, assessment, and program organization—Part II, Winter, p 21.
The autism spectrum disorders: Physical activity instruction—Part III, Spring, p 20.
The autism spectrum disorders: Preventing and coping with difficult behaviors—Part IV, Summer, p 36.

Behavior
The autism spectrum disorders: Preventing and coping with difficult behaviors—Part IV, Summer, p 36.

VOLUME 19 • INDEX • WINTER, 2003 - FALL, 2003

Bits & Pieces
Winter, p 50 (Marfan syndrome alert; 2002 world armwrestling championships; Easy search for health topics; Sleep deprived?; Pill splitting pointers; Clowning around; Myth vs reality; FYI … FYI … FYI).
Spring, p 50 (Super talented; Italian athletes; Historic first world wheelchair armwrestling championships; Mark your calendar & save the dates; Collecting a gold mine; Clinical trials in persons with chronic spinal cord injury).
Summer, p 50 (2003 U.S. Disabled Sailing Team announced; Cancer survivor helping others; Feeling good about a summer job; Lakeshore School students get a lesson in independence; Creating universal power access; Teague Award winner).
Fall, p 43 (12th Paralympic Games Medal and Mascot; Shake-A-Leg Top Award Winner; Phil Craven Elected IOC Member; Sled Hockey Tournament; Need for Movie-Captioned Dialogue; Championship Spiced with Ginger; First Recipient of the Peter Goth Scholarship; No Holding Gina Back! Prize Winner; MDA National Award Winner).

Blind (see **Visual Impairments**)

Body Composition
Research Application (Evaluation of physical condition and body composition of an elite wheelchair basketball team in Istanbul), Winter, p 6.

CAPE
Editor's Corner (Why become a CAPE?), Winter, p 4.

Cerebral Palsy
National Scene (NDSA), Winter, p 12; Spring, p 11; Summer, p 11; Fall, p 11.

Certification
Editor's Corner (Why become a CAPE?), Winter, p 4.
Editor's Corner (Certification of coaches—Is it time?), Spring, p 4.

Children
A university based physical activity program for children with special needs: A unique blend of teacher training, instruction, and community service, Spring, p 42.
Research Application (Athletic identity and perceived competence in children with visual impairment), Fall, p 6.

Coaches/Coaching
Editor's Corner (Certification of coaches—Is it time?), Spring, p 4.

Community Service
A university based physical activity program for children with special needs: A unique blend of teacher training, instruction, and community service, Spring, p 42.

Competitive Activities
Letters to the Editor, Spring, p 14.

Congress
The autism spectrum disorders: Physical activity instruction—Part III , Spring, p 20
A university based physical activity program for children with special needs: A unique blend of teacher training, instruction, and community service, Spring, p 42.

Dancing
Can't walk? So… Go dancing!—Part 1, Winter, p 34.
Wheelchair dancing: Part 2—From the walker's perspective, Spring, p 27.
Wheelchair dancing: Part 3—From the wheeler's viewpoint, Summer, p 26.
Wheelchair dancing: Part 4—Putting it all together, Fall, p 38.

Dwarfism
National Scene (DAAA): Fall, p 11.

Equipment
Adaptive equipment for wilderness expeditions, Fall, p 25.

Facility
Lakeshore Foundation—U.S. Olympic and Paralympic training site, Fall, p 32.

Issues
Should developing self-esteem be an objective for physical education programs involving students with disabilities?, Winter, p 55.
Legislative Update (Issues on physical activity and disability and the new 108th Congress), Spring, p 6.
Should social inclusion be a major goal of physical education?, Spring, p 56.
Normalization or valorization: Which should be our aim?, Summer, p 56.
Ethnocentricity or international involvement?, Fall, p 53.

Istanbul
Research Application (Evaluation of physical condition and body composition of an elite wheelchair basketball team in Istanbul), Winter, p 6.

Judo
Focus on Training (Scott More), Fall, p 15.

Legislative Update
A physical education perspective—Reauthorization of IDEA, Winter, p 9.
Issues on physical activity and disability and the new 108th Congress, Spring, p 6.
IDEA reauthorization: A historical perspective, Summer, p 6.
The role of Section 504 in the educational process, Fall, p 8.

Letters to the Editor
Spring, p 14; Summer, p 5.

Liability
Liability considerations for placement of students with disabilities in general physical education classes, Winter, p 40.

Mental Retardation
National Scene (SOI, Winter, p 13; Spring, p 12; Summer, p 12; Fall, p 11).
Research Application (Effect of progressive time delay procedure on gross motor skill completion duration of participants with mental retardation), Summer, p 8.
Sport for individuals with mental disabilities in Asia, Eurasia, and Europe, Fall, p 20.

Monoskiers
Causes and suggested preventatives for injuries to monoskiers, Winter, p 28.

National Scene
Winter, p 12 (DS/USA, NDSA, SOI, USABA, USADSF, WSUSA).
Spring, p 10 (DS/USA, NDSA, SOI, USABA).
Summer, p 10 (DS/USA, NDSA, SOI, USABA).
Fall, p 11 (DAAA, DS/USA, NDSA, SOI, USABA).

Normalization
Normalization or valorization: Which should be our aim?, Summer, p 56.

Objectives
Issues (Should developing self-esteem be an objective for physical education programs involving students with disabilities?), Winter, p 55.
Issues (Should social inclusion be a major goal of physical education?), Spring, p 56.

Paralympic Forum (U.S.)
Winter, p 11; Spring, p 9; Summer, p 9; Fall, p 10.

Physical Activity
Legislative Update (Issues on physical activity and disability and the new 108th Congress), Spring, p 6.
The autism spectrum disorders: Physical activity instruction—Part III, Spring, p 20.
A university based physical activity program for children with special needs: A unique blend of teacher training, instruction, and community service, Spring, p 42.
Enabling students with ADHD to use self-control in physical activities, Summer, p 32.
Can't walk? So… Go dancing!—Part 1, Winter, p 34.
Wheelchair dancing: Part 2—From the walker's perspective, Spring, p 27.
Wheelchair dancing: Part 3—From the wheeler's viewpoint, Summer, p 26.
Wheelchair dancing: Part 4—Putting it all together, Fall, p 38.

Physical Condition
Research Application (Evaluation of physical condition and body composition of an elite wheelchair basketball team in Istanbul), Winter, p 6.

Physical Education
Legislative Update (A physical education perspective—Reauthorization of IDEA) Winter, p 9.
Liability considerations for placement of students with disabilities in general physical education classes, Winter, p 40.
Issues (Should developing self-esteem be an objective for physical education programs involving students with disabilities?), Winter, p 55.
Issues (Should social inclusion be a major goal of physical education?), Spring, p 56.
Can't walk? So … Go dancing!—Part 1, Winter, p 34.
Wheelchair dancing: Part 2—From the walker's perspective, Spring, p 27.

Wheelchair dancing: Part 3—From the wheeler's viewpoint, Summer, p 26.
Wheelchair dancing: Part 4—Putting it all together, Fall, p 38.

Power Lifting
Focus on Training (Matt Aldridge/power lifting), Winter, p 47.

Professional Preparation
Models to guide professional preparation in adapted physical activity: Beliefs affecting service delivery, Spring, p 39.
A university based physical activity program for children with special needs: A unique blend of teacher training, instruction, and community service, Spring, p 42.

Protein
Sport Nutrition (Protein power—The truth about supplements), Winter, p 48.

Public Schools
Research Application (Employment trend and shortage of recreation and therapeutic recreation specialists in public schools), Spring, p 5.

Publication Reviews
Winter, p 52 (Common ground: Dance and disability [video]; Spinal Network: The total wheelchair resource book [3rd ed.]; Reach for it: A handbook of health, exercise, and dance activities for older adults [2nd ed]; Strategies for inclusion: A handbook for physical educators; Attention deficit disorder sourcebook [1st ed.] [Health reference series]; Not just surviving: Women living a full life with a spinal cord injury [video]; Dancing from the inside out [featuring the AXIS Dance Troupe] [video); What's wrong with Timmy?; Wheelchairs on the go).
Spring, p 52 (Principles and methods of adapted physical education [9th edition]; Co-ed recreation games; Sport progressions; Dance therapy redefined: A body approach to therapeutic dance; KALMS(R)—Kounas assessment of limited mobility students [video]; Behind the glass door: Hannah's story [Breaking through the barriers of autism] [video]; Psychology of dance).
Summer, p 52 (A teacher's guide to including students with disabilities in general physical education [2nd edition]; Don't give up: A video on autism [video]; Here's how to reach me: Matching instruction to personality types in your classroom; Sports injuries: Their prevention and treatment [3rd edition]; Making connections: From theory to practice in adapted physical education; Special education for regular educators [video]).
Fall, p 48 (Access Challenge [video]; Alpine achievement: A chronicle of the United States disabled ski team; Aquatics for children with disabilities [video]; Assistive devices: Adaptive strategies & recreational activities for students with disabilities: A practical guide for including students who need assistive devices and adaptive strategies into physical education and recreation activities; Families and mental retardation: A collection of notable AAMR articles across the 20th century; Grosse adapted aquatics database; Mental retardation: Definition, classification, and systems of support (10th Ed.); My voice, my choice: A manual for self-advocates—What you need to know about participant-driven supports; Rhythmic activities and dance; Waiting for Ronald [video]).

Recreation
Research Application (Employment trend and shortage of recreation and therapeutic recreation specialists in public schools), Spring, p 5.
Adaptive equipment for wilderness expeditions, Fall, p 25.
Can't walk? So… Go dancing!—Part 1, Winter, p 34.
Wheelchair dancing: Part 2—From the walker's perspective, Spring, p 27.
Wheelchair dancing: Part 3—From the wheeler's viewpoint, Summer, p 26.
Wheelchair dancing: Part 4—Putting it all together, Fall, p 38.

Research Application
Evaluation of physical condition and body composition of an elite wheelchair basketball team in Istanbul, Winter, p 6.
Employment trend and shortage of recreation and therapeutic recreation specialists in public schools, Spring, p 5.
Effect of progressive time delay procedure on gross motor skill completion duration of participants with mental retardation, Summer, p 8.
Athletic identity and perceived competence in children with visual impairments, Fall, p 6.

Self-control
Enabling students with ADHD to use self-control in physical activities, Summer, p 32.

Self-esteem
Issues (Should developing self-esteem be an objective for physical education programs involving students with disabilities?), Winter, p 55.

Service Delivery
Models to guide professional preparation in adapted physical activity; Beliefs affecting service delivery, Spring, p 39.

Special Education
Editor's Corner (Adapted physical education and special education: There is a strong resemblance, but we are not the same!), Summer, p 4.

Social Inclusion
Issues (Should social inclusion be a major goal of physical education?), Spring, p 56.
Issues (Ethnocentricity or international involvement?), Fall, p 53.

Special Olympics (see **Mental Retardation**)

Sport Nutrition
Protein power—The truth about supplements, Winter, p 48.
Surfing the web for nutrition information, Spring, p 49.
Carbohydrate bashing: A passionate pastime, Summer, p 47.
Roughing-up your sports diet, Fall, p 46.

Swimming
Reasonable accommodations for swimmers with disabilities—A perspective, Winter, p 44.
Letters to the Editor, Spring, p 14.

Teacher Training (see **Professional Preparation**)

Therapeutic Recreation
Research Application (Employment trend and shortage of recreation and therapeutic recreation specialists in public schools), Spring, p 5.

Tribute
Tribute to Dr. Gerald O'Morrow, Summer, p 46.

University
A university based physical activity program for children with special needs: A unique blend of teacher training, instruction, and community service, Spring, p 42.

Valorization
Normalization or valorization: Which should be our aim?, Summer, p 56.

Visual Impairments
National Scene (USABA), Winter, p 14; Spring, p 13; Summer, p 13; Fall, p 11.
Research Application (Athletic identity and perceived competence in children with visual impairments, Fall, p 6.

Water Skiing
Focus on Training (Ronda Jarvis-Ray/water skiing), Summer, p 48.

Web
Sport Nutrition (Surfing the web for nutrition information), Spring, p 49.

Wheelchair Activities
Can't walk? So… Go dancing!, Winter, p 34.
Wheelchair dancing: Part 2—From the walker's perspective, Spring, p 27.
Wheelchair dancing: Part 3—From the wheeler's viewpoint, Summer, p 26.
Wheelchair dancing: Part 4—Putting it all together, Fall, p 38.

Wheelchair Basketball
Research Application (Evaluation of physical condition and body composition of an elite wheelchair basketball team in Istanbul), Winter, p 6.

Wheelchair Sports
National Scene (WSUSA), Winter, p 15.

Work/Study
Work & Study support for athletes with disabilities: A successful model in Western Australia, Spring, p 33.
